Introduction

Dear colleagues, members of the broad scientific community of chemistry and chemical engineering, The *Ecole Militaire Polytechnique (EMP) Cahid Abderrahmane Taleb* has the immense pleasure to invite you to attend the 10th Chemistry days, converted under the new designation Symposium on Chemistry and Chemical Engineering (10th SCCE) which will be held during March 15-16th, 2023 at *Bordj El Bahri* city. SCCE will be the single roof under which prominent researchers will be given the opportunity to share their achievements in the field of materials science, discuss and foster knowledge exchange through addressing oral and poster presentations, particularly in the rising advancement related to global scientific topics. We are persuaded that the delegates and contributors will all benefit from the warm and welcoming ambiance of the conference deliberation, which will constitute great opportunity to launch new era of cooperation. We are looking forward to meet you at the 10th SCCE.

Scientific topics

(A) Polymers and advanced materials

(B) Chemical processes, environment and renewable energies

(C) Energetic materials and pyrotechnic systems

(D) Interfacial phenomena and reactivity

(E) Pharmaceutical and fine chemicals

(F) Refining and upgrading of hydrocarbons

15

Paper and abstract template

Abstracts and papers must be written in English, according to the available template on 10th SCCE website : www.emp.mdn.dz/events/scce/index.html

Submission and registration

Participants to the 10th SCCE are invited to register and submit their contributions to the organizing committee through the online link on the conference website.

Submission includes :

1. Registration form including the participant's main information (Name, surname, participant's category, organization, type of presentation, address, tel/email, etc.)
2. Abstract (150-250 words) including the communication title, authors names (the presenting author should be emphasized), address, email and keywords.
3. The full paper should not exceed 6 pages and its presentation should respect the given template on the 10th SCCE website.

53

Important dates and deadlines

Become part of the exciting program by submitting your abstract for an **oral** or **poster** contribution:

- Abstracts submission deadline: **07/01/2023**
- First notification of acceptance: **01/02/2023**
- Deadline for revised selected papers: **10/02/2023**
- Final decision: **20/02/2023**

15

Participation fees

Participation fees include access to 10th SCCE, coffee breaks and lunches, are designed as follows :

Participation fees without accommodation (DZD)	
Standard	10 000
Student	8 000
Auditor	15 000

Participation fees with accommodation* (DZD)	
Standard	25 000
Student	20 000

*Accommodation is available only for distant participants. *EMP* can not provide accommodation for auditors in any forms.
