10th Symposium on Chemistry and Chemical Engineering (10th SCCE)

Bordj El-Bahri, Algiers, Algeria (March 15-16th, 2023)

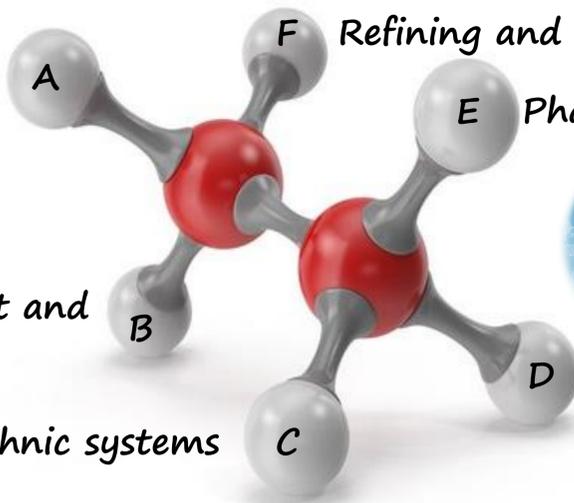

The *Ecole Militaire Polytechnique (EMP) Chahid Abderrahmane Taleb* has the immense pleasure to invite you to attend the 10th Chemistry days, converted under the new designation Symposium on Chemistry and Chemical Engineering (10th SCCE) which is scheduled on March 15-16th, 2023 at *Bordj El Bahri* city. This scientific event, held every other year, keeps forming a good environment for the growing scientific family to exchange knowledge between researchers, students and industrial actors regarding recent achievements in both of scientific and technical progresses fulfilled in diverse areas of chemistry and chemical engineering. This expected meeting is willing to strength cooperation and to give a new impetus for thoughts and reflections.

Polymers and advanced materials

Chemical processing, environment and renewable energies

Energetic materials and pyrotechnic systems

Refining and upgrading of hydrocarbons

Pharmaceutical and fine chemicals

Interfacial phenomena and reactivity

Topics

Participants at the 10th SCCE are invited to submit their communications to the organizing committee through the online link provided by the 10th SCCE website:

(www.emp.mdn.dz/events/scce/index.html). Papers and abstracts must be written in English.

Submission includes:

- 1- Registration form including a participant's main information (Name, surname, participant's category, organization, type of presentation, address, tel/email, etc.);
- 2- Abstract (150-250 words) including the communication title, authors names (the presenting author should be highlighted), address, email and keywords;
- 3- The paper should not exceed 6 pages and its presentation should respect the given template on the 10th SCCE website.

Paper and abstract Template/ Submission

- Papers and abstracts submission deadline : 07/01/2023

- First notification of acceptance : 01/02/2023

- Deadline for revised selected papers : 10/02/2023

- Final decision : 20/02/2023
